PERSONAL STATEMENT

Use this space to provide information in support of your application including reasons for applying for the programme, reasons for wishing to study with us and any relevant practical experience, interests and achievements. This statement must be your own work.

For example:

- You should say what specifically interests you about the Master Degree Programme 2010 – 2013: Ecology of Method and Practice: Environmental and Social Education you have chosen.
- Say why you want to study the Master Degree Programme.
- How does it fit into your future plans for employment or further study?
- What knowledge of the subject do you have already? What have you read about it, do you have some practical experience of it, or have you studied some aspect of it?
- What would you bring to Master Degree Programme if you were to become one of its students? Tell us about your interests, activities and achievements. Do you have work experience or voluntary activity to tell us about, that might be relevant, or that will give us a fuller picture of you as a person? Say something about your social and leisure activities too.

If you are a mature student, or are returning to education this is where you can help us to assess your application properly by giving us as much information as possible about your education and experience.
